

# Understanding EPL Insurance

## What is EPL Insurance?

Employment Practices Liability (EPL) Insurance encompasses a broad range of issues such as:

- Gender Discrimination
- Race Discrimination
- Age Discrimination
- Sexual Harassment
- Wrongful Termination
- Retaliation

## Why do I need EPL Insurance?

- Standard Insurance policies such as: General Liability, Workers Compensation and Umbrella policies do not cover EPL insurance claims.
- Claims of wrongful acts can lead to costly lawsuits. EPL Insurance covers these legal expenses as well as monetary damages for any judgements made against you.
